summary

I'm a software engineer from Portugal with a big love for programming and learning new things, specially when it comes to my big passion, web development. I consider myself an ambitious, dedicated and extremely organized person, and my career objective is to be able to make a difference in the tech world by helping creating something that I can be proud of.

education

Sep 2014 - Jun 2016	Master's Degree M.Sc. Software Engineering	University of Coimbra, Portugal
